May 23rd, 2006: Parkland Photography Club held its May meeting on May 23rd with nine members attending.

Darlene reported that the **PRPA** outing scheduled for June has been cancelled due to lack of registrations. It may be re-scheduled to September to coincide with **Saskatoon Camera Club's** annual meeting.

There were a lot of topics submitted for next year's **Theme Shoots**, and

these were weeded down to those on the right:

These pictures can be taken any time after this meeting, but not before.

April	Work
May	Horses

Annual Outing was discussed, and it was decided to have it on Saturday, June 17th, and to go to **Bellevue, Batoche, Duck Lake and Fort Carlton**. Members will make their own arrangements for car-pooling, and we will meet at **Bellevue** at 11:30.

Doreen had borrowed two **VHS** tapes on photography from the library in **Porcupine Plain**. She and **Jerry** had viewed them and considered **Photography 101** to be a useful tape for a meeting, and will be borrowed again for one of next year's meetings. The one on wildlife photography was aimed at movie photographers or videographers and considered of less interest to our Club.

Several Club members will attend the **Relay for Life in Tisdale** June 2nd and 3rd and provide the committee with digital photos of events.

Election of officers was held. **Wes Swan** was **Vice President** but has moved away, so **Doreen** agreed to stay on as **President** for another year. **Mary Wright** will be **Vice President**; **Darlene McCullough** will continue as **Secretary Treasurer**, and **Jerry Crawford** as **Newsletter Editor**.

The following Merit Awards were presented: **Alie Neish**, Silver Medal / **Doreen Crawford**, Gold Medal / **Mary Wright**, Key Fob / **Darlene McCullough**, Mug and **Tibby Frazer**, Mug.

Tibby Frazer brought lunch and by this time it was dark enough for the projector, so we showed our **Theme Pictures**. Theme was "Sticky" and there were six entries. First went to **Jenny Fritshaw** for her photo of a beautiful child with chocolate icing all over her face. Second

was won by **Albert Orban** for his photo of a man holding a honey comb and licking his finger, and third to **Jerry Crawford** for his photo of an angry-looking girl with duct tape over her mouth.

Alie and **Glen Neish** showed us a showcase of photos they had taken on two trips – one to **Wyoming**, and the other to the **Maritimes**. They are both accomplished photographers and their photos a joy to look at.

For our September meeting: **Doreen** and **Jerry Crawford** will bring a showcase of their recent work. Members are reminded to bring at least twenty photos - slides, prints, or digital photos - for the Club's slide show.
