## *January 2008*

Tisdale, January 30, 2008 by: *Darlene McCullough*

Thirteen members and one guest attended the Jan. meeting of the **Parkland Photo Club** held in the **Doghide Gallery** on Tuesday, January 22nd.

President	Glenn Galloway	752-3711
Vice President	Anne McIntosh	752-4042
Sec./Treasurer	Darlene McCullough	873-2030

**Hannah Anderson** showed us some cards that she and her sister **Jillian** made on the computer and she explained how they did these. It was fantastic work! Some club members will give them some of their photos next meeting and the girls can make some cards for the club to sell. **Darlene** will e-mail the club logo to them and they will see if they can put this on the back of the cards. We decided to go with a spring theme and have them prepare all-occasion cards.

Our photo theme for this month was clouds and we had nine entries. First was "

**"A Touch of Heaven"** by **Albert Orban**; Second was **"Fall Clouds"** by **Glen Galloway**; and third was **"Canada over Vimy"** by **Neil Anderson** where the clouds formed a stylized map of Canada over the memorial.

Once the judging was completed, we discuss each photo and this is where we learn what to look for in a photo as well as hints we can use when taking our own photos.

*2nd "Fall clouds" by Glen Galloway*

Our photo show for this year begins its tour to the senior housing projects in Tisdale on January 28 and ends on February 7. We are looking forward to sharing our photos with the seniors again this year and hope that they bring some pleasure to the viewers.

**Glen Galloway** provided the lunch. Thanks, **Gloria!**

**Anne McIntosh** had a DVD of digital photos taken this past summer at a digital photography workshop that she attended at **Kenderline Campus at Emma Lake**. There were twelve participants and each participant handed in twelve photos including one that they had converted to black and white using **Photoshop**. The instructor made these into a slide show. We had 144 images to view! Excellent work!

**Anne** then showed us another DVD - this one of photos that she had taken on a tour to **Churchill** last November. They spent four days in **Churchill** so she had photographs of the town, landmarks, landscapes, the museum, dog sled ride, the polar bear jail, an Arctic hare, and the tundra buggy on which they rode to get to the area where the polar bears were. She had outstanding photos of the bears! She also had a photo of the tundra buggy train where one is able to stay overnight on the tundra. Thanks so much, **Anne**, for sharing your work with us!

Our next meeting will be on Tuesday February 26 from 7:00 to 9:00 p.m. at the **Doghide Gallery** in Tisdale. Anyone interested in photography is invited to join us at this time.
