February 23, 2010

**Parkland Photo Club** met in the **Doghide Gallery** on Tuesday, February 23 with twelve members present and President **Anne McIntosh** chairing the meeting.

President	Anne McIntosh	752-4042
Vice President	Neil Anderson	873-2356
Sec./Treasurer	Darlene McCullough	873-2030

Secretary-Treasurer **Darlene McCullough** reported that since there were no members still on dial-up Internet service the resolution for photos used in the newsletter would be increased. This makes a larger file but it can

be handled by high-speed service. **Ivy Wilson** of the **Tisdale Recorder** has requested that the members email her some images taken in **North East Saskatchewan** that she can use in the banner of the **Review**.

**Anne McIntosh** reported that she had made presentations of the club photo show in **Melfort** at **Diefenbaker Place, Caskey,** and **Assisted Living.** **Glenn Galloway** had assisted at two of these.

**Lina Brisco**, a photographer from **Zenon Park**, has agreed to show some of her work at the April club meeting. Since we have a presenter for the April meeting, the project of shooting ten photos from a two meter square in 24 hours will be extended to the May meeting.

The club will invite **Timothy Shire** to attend our March meeting when he can give us some tips on what he expects

when photos are submitted for web sites. It is hoped that each member can have a page on the club web site where examples of his/her work can be viewed.

*First Place - BJ Madson*

*Tie for Second Place - Alan Cathcart*

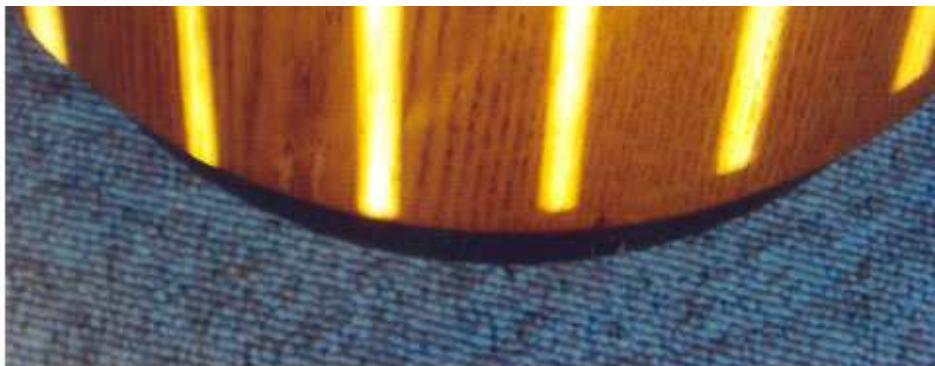

**Jenny Fritshaw** shared some interesting photos that she had taken of a coyote in a spruce tree which is near her front window. It seems the coyote had stored some crabapples there and had now returned for a feed of these. This was the second time that **Jenny** had seen him do this.

**Neil Anderson** and **Lia Boxall** told the members about a **Canon** digital camera that they had found very useful on their recent trip to **Mexico**. It uses a **SD** card, is waterproof to 35 meters, and is sand proof. It is very convenient and user friendly. The price is about \$400.

Since the *"lines"* theme shoot judging scheduled for the January meeting had been left until this meeting, the judging of this theme was done first. There were six entries with first going to **BJ**

**Madson**, and a tie for second place between **Albert Orban** and **Alan Caithcart**. The February theme shoot was "*take a mundane subject and make it interesting*". First went to **Lia Boxall**, second to **Jillian Anderson** and third to **Hannah Anderson**.

*Tie for Second Place - Albert Orban*

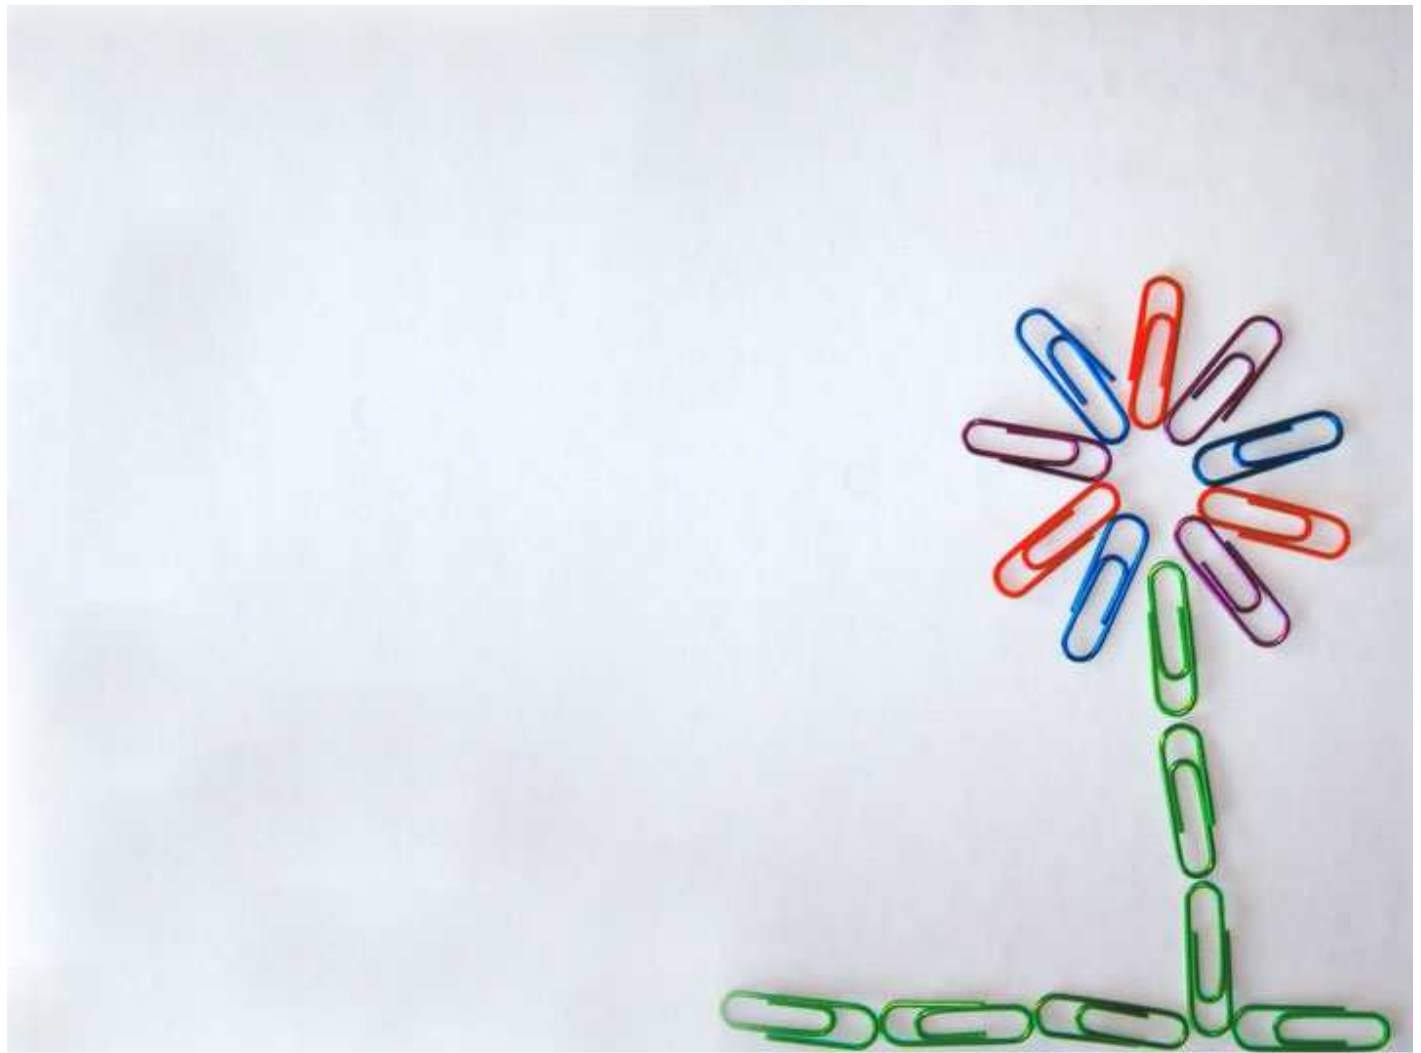

Thanks to **Alan Caithcart** for supplying the lunch for this meeting.

*"Golden Threads" by Lia Boxall - First Place*

*"Rainy Day" by Jillian Anderson - Second Place*

*"Office Doodles" by Hannah Anderson - Third Place*
