March 22th Meeting

By Darlene McCullough

Parkland Photo Club met in the Doghide Gallery on Tuesday, March 22, with 14 members present. Welcome to new member Melissa Morrison from Melfort. This brings the club membership to twenty-two. President Neil Anderson chaired the meeting.

Darlene McCullough reported that the history of the photo club was included in the Tisdale History book, Volume 2 and encouraged the members to check it out.

Hannah Anderson presented her before and after photos for the Generation Now project. She chose a crossword puzzle framework and then sharpened it, enhanced the words, cloned a letter and brightened it. Jillian Anderson was not present so Lia Boxall presented Jillian's project. Jillian chose a sunset scene and then did the altering in the camera changing the exposure and orientation of the image.

A suggestion of some members sharing their knowledge with the other members led to Neil Anderson volunteering to do a presentation on exposure and metering for the April meeting and BJ Madsen volunteering to do one on light contrast and line work at a later date. Another suggested topic was the positioning of lights for portrait photography.

There were ninety-six images in the Foto Fun Competition this year so Competition Chairperson Anne McIntosh decided that was too many to be judged during a club meeting so she, Sharon Walker, and BJ Madsen judged them prior to the meeting. At the meeting, the images were projected and Anne read the mark and judges' comments for each. Once this competition was opened to include digital images as well as slides, the number of entries has greatly increased.

Members were reminded to be thinking about possible locations and times for a photo shoot this spring as well as some theme shoot suggestions for next year.

There were eight entries in this month's theme shoot which was "Part of a Machine". All three winners had shot the mechanical workings inside a watch. First Place went to BJ Madsen, Second Place to Alan Caithcart, and Third Place to Glenn Galloway.

Cindy Neilsen and BJ Madsen reported on their experiences while shooting images of cars in the Tisdale Museum collection. The cars were donated to the museum but they had never been documented so that was the request by the museum committee.

Cindy Neilsen reported that the Paint Shop Pro photo editing class offered by Cumberland College was cancelled as she was the only one who had enrolled in it.

Wendy Derbowka presented five of her photos telling the members a bit about each and answering questions as the enlargements were passed around.

Wendy Derbowka volunteered to look after the Archives for the club.

Thanks to Lia Boxall for supplying the lunch for this meeting.

The next meeting will be held in the Doghide Gallery on Tuesday, April 26 at 7 PM. The theme shoot topic is "Movement".

The last photo club meeting report is posted on "The Greenwater Report" site <http://www.greenwaterreport.com/>. Check the menu on the left hand side and click on Parkland Photo Club.

Note: Webmaster Tim Shire is pleased with the images sent directly from computers rather than scanned images!

Please bring your theme shoot images on a memory stick or be prepared to email them to Darlene right after the meeting should you have a winning image. Thanks for your cooperation with this!

Note: Members should be thinking about theme shoot ideas for next year and we vote on these at the May meeting.

Note: Members should also be considering the possibility of a photo shoot later this year when the weather is more suitable.

Financial Report:

Bank Balance: \$644.31

Cash on Hand: \$39.32

The cost for competition entries for postage plus the cost of mailing back entries in competitions that we judged this year is \$60.75
