### June 15<sup>th</sup> Museum Photo Shoot

**By BJ Madsen**

The weather gave us a break – the sun came out – the sky was blue and, even though the 1918 Ford Model T had a flat tire and they weren't able to get it out to the village for us, they were able to chug outside the back of the building onto some grass for us and even provided an old wagon as background. The shoot went well.

Wendy, Cindy, and I took lots of pictures. Albert was there briefly (the hockey game called out to him). When we get the pictures ready, I promised to provide the museum with a CD of our efforts.

**Note:** Webmaster Tim Shire is pleased with the images sent directly from computers rather than scanned images!

Please bring your theme shoot images on a memory stick or be prepared to email them to Darlene right after the meeting should you have a winning image. Thanks for your cooperation with this!

**Financial Report:**

Bank Balance: \$  
Cash on Hand: \$

--- \$

If we owe anyone for postage, printing, or anything else please let Darlene know at the May meeting.  
Thanks.

We still need volunteers to bring lunch for the meetings in the upcoming year. Thanks to Albert for being the first to step up! ☺
