

ATTENTION SASKATCHEWAN CAMERA CLUBS
September 2011-2012

Once again the Gleneath Camera Club, Kindersley, Saskatchewan is hosting Foto Fun. We would like to invite you to participate once again in this 33th year for the competition. Once again we will be running the competition in either digital or slide format.

PURPOSE: To promote a closer relationship among camera clubs in Saskatchewan.

RULES:

1. Each club member may enter one slide or one jpeg image. Subject matter is optional, but the image **MUST BE TAKEN IN SASKATCHEWAN.**
2. The slides/jpegs from each club are to be sent in one package to the current convener. (see below)
3. The slides must be spotted in the lower left hand corner and the slides must be titled. Owner's name and club should be clearly marked on each slide. Jpeg images should be on one CD. Each image should have the title and maker's name labeled in the file name ex. Image of Saskatchewan-John Doe.jpeg. No enhancements other than what could normally be done to a 35mm slide. Black and white images are welcome. HDR images are allowed as long as the image could have been created using the "slide sandwich" method. No extreme enhancements using computer software please.
4. Judging of the slides/jpegs is to be done by three club members. (full instructions will be sent later on.)
5. Tally sheets with your marks and comments are to be mailed directly to the Foto Fun Convener.
6. Each club is responsible for forwarding the slides to the next club (Instructions for this process will be sent later on.)
7. Total marks and comments will be returned with your slides.
8. Closing date for receiving slides is November 1st 2011.
9. No slide/jpeg may be entered in Foto Fun more than once.
10. All possible care will be taken with the slides, but the Gleneath Camera Club will not be responsible for lost or damaged slides.
11. Unless otherwise stated, permission to duplicate slides will be taken for granted. These duplicates will later be compiled into a slide set on Saskatchewan Recognition will be given to the maker of the slide by putting his or her name on it. 5 sets have been compiled to date. They are available for viewing.
12. Unless your club sends 5 slides/jpegs—you will not be put on the judging circuit. However your photos will be judged and returned with marks. Please help to keep this competition going with your support. Please indicate if you are able to view jpeg images when you submit your entries.
13. We ask that the co-ordinator of the club ensures that slides entered meet the criteria of the competition. If you need clarification please contact me.

This is a fun type competition and one that all your members may enter. PLEASE, as your club representative, would you make an effort to have every member participate. This is a way to get to know each other by name— if not by face.

There is no age limit to your slide/jpeg as there is in some competitions although it may only be entered once and MUST be taken in Saskatchewan.

We would like to see 100% participation from your club.

If you are no longer a member of the club, please be kind enough to see that the President or Secretary receives this letter.

Thank You,
Ann Dies
